HP Photosmart Premium TouchSmart Web All-in-One Printer

The HP Photosmart Premium Web All-in-One is designed for busy home users looking for a wireless all-in-one packed with innovative, time-saving features including direct web printing and an extra-large HP TouchSmart screen.

Get touch-and-go web printing via the extra-large HP TouchSmart screen – no need for a PC[1].

- Print web content with a touch of the extra-large HP TouchSmart screen – no need to switch on your PC[1].
- Discover the fun and convenience of direct web printing – enjoy easy access to the HP App Studio[1].
- Print maps, colouring pages and more – update your HP TouchSmart screen to include your favourite Apps.
- Upload, view, select and print photos from your Snapfish.com albums[3].

Get high-quality printing – plus scan, copy and fax too – with this ultra-versatile device.

- Put this ultra-versatile all-in-one on your home network and take your print capabilities to a new level.
- Print laser-quality documents, lab-quality photos, complete web pages and impressive creative projects.
- Enjoy easy control – print, scan, copy and fax using the extra-large HP TouchSmart screen
- Get the best out of your photos with a range of enhancement tools and auto-engaging photo tray
- Use up to 50% less paper with automatic two-sided printing and copying.

Enjoy complete connectivity with wireless networking[2], iPhone™ printing[4] and more.

- Print whichever way is most convenient with a full choice of connectivity options.
- Share the performance between multiple notebooks and PCs using built-in wireless networking[2] and easy, one-touch set-up[5], or connect via Ethernet for a secure wired connection.
- Enjoy easy printing direct from your Bluetooth®-enabled devices including camera phones and PDAs or print directly from your iPhone™ or iPod touch™[4].
- You can even print scores from your PS3™[6].

ecoHIGHLIGHTS

- Reduce energy use at least 30% with this HP All-in-One[1].
- Save paper by up to 50% using automatic two-sided printing
- Free, convenient HP cartridge recycling in over 41 countries.

ENERGY STAR® Qualified
[1]Compared with using a printer, fax machine and scanner separately. Please recycle your computing hardware and printing supplies. Find out how at our website.

www.hp.com/ecosolutions

[1] Requires an Internet connection to the printer; web content varies by region.
[2] Wireless performance is dependent upon physical environment and distance from access point.
[3] Requires a Snapfish.com account (availability varies by country) and an internet connection to the printer.
[4] Using HP iPrint Photo software; free download available from the App Store, details at www.hp.com/go/iPrintphoto
[5] Requires a WPS router with an integrated push-button.
[6] Printing screen captures is only available on games that support this feature.
