

Work and play like never before

As the first Galaxy tablet with a hyper-immersive 14.6" sAMOLED display and 120 Hz refresh rate, the Galaxy Tab S8 Ultra is ringing in a new era - while opening up a completely new experience for multimedia, gaming and productivity. The new Galaxy Tab S8 Ultra is a real masterpiece: the slimmest display frame in its category and the 5.5 mm thin, feather-light case offer you maximum comfort and on-the-go mobility. Enjoy a natural writing and drawing feeling thanks to the even more responsive S Pen. The new, highly-efficient 4 nm processor with 5G and matching Book Cover Keyboard instantly make the Galaxy Tab S8 family the smart replacement for a notebook.

Ultimate tablet experience

With a crystal clear sAMOLED display and high refresh rate, the Galaxy Tab S8 offers a user experience like never before - whether for working, learning, gaming, or watching movies. Thanks to its extremely slim edges and Armor Aluminum case, the Galaxy Tab S8 is both aesthetic and robust at the same time. The Galaxy Tab S8 family is available in three sizes: 11", 12.4" or 14.6" - the right size to suit every need.

Maximize your productivity

The new Galaxy Tab S8 series features an ultra-wide selfie camera, maximizing the conference call experience. The Galaxy Tab S8 Ultra is also the first tablet with a dual selfie camera, meaning that several people can take part in video calls and take perfect group selfie shots. The S Pen is extremely responsive with a latency time of just 2.8 ms and offers a natural writing feeling. The matching Book Cover Keyboard and DeX Mode make the Galaxy Tab S8 the ideal notebook replacement. The new Galaxy Tab S8 Ultra keyboard is also more ergonomic, has wider keys, a large notepad and a backlight. In addition, it is aesthetically slim, light and does not need to be charged separately.

Work & entertainment redefined

The world's first 4 nm processor delivers extreme performance - ideal for working productively, being creative and enjoying plentiful amounts of entertainment content. The 14.6" display of the Galaxy Tab S8 Ultra provides an immersive experience in every situation, supported by a super-fast network connection - on the go with 5G and at home with Wi-Fi 6E. The generous batteries ensure maximum flexibility and can be charged up again in a flash through the 45-Watt super fast charging. With multi-user options, the Galaxy Tab S8 is also an ideal family tool. All the data can be synchronized thanks to the powerful eco-system, whether it is Samsung, Microsoft, or Google. Working productively, being creative, gaming, or enjoying your favorite series with four loudspeakers and Dolby Atmos sound - you can do it all with the Galaxy Tab S8.
