MINIX NEO Storage Plus, USB-C Multiport SSD Storage Hub

with Gigabit Ethernet + 4K @ 60Hz HDMI

Multi OS Support - macOS, iPadOS and Windows 10 OS

Revolutionary USB-C Multiport SSD Storage Hub.

MINIX NEO Storage Plus, USB-C Multiport SSD Storage Hub with Gigabit Ethernet and 4K @ 60Hz HDMI is the world's first portable storage hub that combines SSD storage with additional data + display output ports and offers multi OS support, including macOS, iPadOS and Windows 10 OS.

It includes a built-in 480GB SSD (NEO SG4) or 960GB SSD (NEO SG9), Gigabit Ethernet, HDMI (4K @ 60Hz), 2 x USB 3.0 and USB-C [only Power Delivery] in a compact, aluminium hub.

Stunning Visuals, 4K @ 60Hz HDMI Output.

Enjoy your content on the big screen. Output crystal clear picture quality and vibrant multi-channel digital surround sound to an external display via the HDMI port (support up to 4K @ 60Hz). Ideal for creating a workstation in your home office or bringing the cinematic experience to your living room. Please note, only direct HDMI-to-HDMI connection is supported.

Super-Fast, Super-Easy SSD Storage.

Simply connect MINIX NEO Storage Plus to your laptop or tablet and enjoy incredibly fast SSD storage, providing easy access to your data and content. Ideal for storing 4K videos and photos that you can output to an external display within seconds thanks to the integrated HDMI port.

The internal SSD storage supports up to 400MB/s read and write speed. (based on internal testing; performance may vary depending on laptop or tablet model, OS and application. 1MB = 1,000,000 bytes.)

Fast, Reliable Gigabit Ethernet Connection.

Delivering both speed and reliability, MINIX NEO Storage Plus offers instant connection to high-speed Gigabit Ethernet networks, so you can enjoy super-fast bandwidth up to 1000Mbps; perfect for streaming movies and online gaming.

An Abundance of Connectivity.

The inclusion of 2 x USB 3.0 ports provides backwards compatibility and support for all your USB-A accessories.

Stay Powered.

Keep your laptop or tablet charged via the USB-C pass-through charging port. Simply connect a charging cable to the USB-C port, highly recommended when using multiple ports simultaneously.

Enhance Your Productivity.

MINIX NEO Storage Plus has been specifically engineered to enhance your daily productivity whether at home, in the office or on-the-go; bringing the ultimate range of versatile ports and storage to your laptop or tablet.

The sleek, brushed aluminum housing will perfectly complement your laptop or tablet, while its reinforced shell ensures maximum durability and resistance against daily wear and tear. Available in Space Gray or Silver.

Universal Compatibility.

Designed to work with the latest generation of laptops and tablets that have at least one USB-C port, MINIX NEO Storage Plus offers universal compatibility; supporting macOS, iPadOS and Windows 10 OS. Please note, it is important to verify your device supports display output, power input and data transfer via USB-C to ensure compatibility with the storage hub.

Connect Seamlessly.

It's plug-and-play design means MINIX NEO Storage Plus connects seamlessly to your laptop or tablet with no manual driver installation required.

3-Year Manufacturer's Warranty.

Enjoy the next level of solid-state technology and convenience of MINIX NEO Storage Plus, with the peace of mind a 3-Year limited manufacturer's warranty brings.
