

64GB, 128GB, and 256GB*

SanDisk Extreme® Go USB 3.2 Drive

Take Control of Your Data

Highlights

- Facing tight deadlines? The SanDisk Extreme® Go drive lets you access and move huge files fast so you don't have to slow down.
- Bring this sleek yet durable drive wherever your work or passion takes you thanks to its premium metal design.
- You need a drive you can count on wherever, whenever—the Extreme Go drive is backed by the renowned SanDisk reputation for reliability.
- Accelerate your workflow as you transfer, store and share critical content with super-fast USB 3.2 interface.
- Put critical files in a vault folder to help keep them away from prying eyes with SanDisk SecureAccess™ encryption software¹.
- Accidentally deleted important files? Recover them easily with the included RescuePRO Deluxe data recovery software² offer (download required).

With the SanDisk Extreme® Go USB 3.2 Type-A flash drive, you can access and move critical content fast to stay ahead of tight deadlines. Success means being able to perform at peak speed and efficiency wherever, whenever. This drive's elite performance and reliability deliver a smooth workflow so you can work your way without slowing down. It lets you keep your data under your control so you can stay productive even when you have no access to the cloud. All of this powerful performance is housed in a sleek metal design that is as stylish as it is durable.
